Vail – ADA Complementary Paratransit Application Form

Attached are forms used to establish eligibility for Vail Transit ADA transit services. Please complete and return to Vail Transit the form titled, “Paratransit Eligibility,” and have your physician complete and return the form titled, “Medical Certification.” In addition to being a federal reporting requirement, these forms help Vail Transit to document the nature of the disabilities for which we provide paratransit service.

Also, following is a brief summary of the policies for ADA services:

- Paratransit service is for those who cannot get on, get off, or otherwise navigate the existing system.
 - All paratransit trips should be booked at least the day before by calling 970-479-2178. More advance notice is helpful.
 - Service is offered during the same hours as Vail Transit fixed routes (5:30 AM – 2:30 AM)
 - Town of Vail staff will provide curb to curb service. Door to door service can be provided during certain weather conditions.
 - Any services beyond driving of vehicle and operations of lift will not be provided by the Town of Vail staff. A personal assistant must be provided by the guest if they are in need of one.
